## **BFA in Art & Design – Sculpture Concentration Additional Degree Requirements**

In addition to the Art and Design major coursework and the general education coursework (Intellectual Foundations Program), all undergraduate degree candidates must meet the following college wide graduation requirements:

- Successful completion of required coursework in the declared major
- Successful completion of at least 120 hours of which at least 45 must be upper division and 30 must be taken at Buffalo State, including at least 6 credit hours in the major
- Successful completion of all “I”, “N”, or “X” grades
- The general education courses do not have to be taken in the order in which they are listed on the front of this sheet. The scheduling and sequencing of the Intellectual Foundations coursework is the student’s choice with guidance from their advisor.
- Currently, the three credit Diversity requirement has the following courses which can be double dipped to fulfil another Intellectual Foundations requirement:  
Arts - MUS 206; Humanities - AAS 240, ENG 231, 240, 241, 243.  
Social Science - SOC 240; Non-Western Civ. - ENG 353
- Please see the Buffalo State online catalog for detailed information on graduation requirements. Ultimately, it is the student’s responsibility to meet all requirements for graduation.
- To continue in the B.F.A. degree program, the student must maintain a 2.5 grade point average in the major.
