

CANNONDESIGN

Interior Designer - Healthcare

at CannonDesign ([View all jobs](#))

Buffalo, NY

CannonDesign has an exciting opportunity for an Interior Designer to be a part of our Healthcare Interiors team based in our downtown Buffalo, NY office. Take a look at the description below. If you think your skills and experience make you a good match for this position, we'd love to hear from you. We're looking for creative, curious, empathetic people to join our Living-Centered Design movement.

ABOUT OUR FIRM

CannonDesign is an integrated design solutions firm focused on helping people continuously flourish. Whether designing for innovations in health, new scientific discoveries, equity in education or the next big idea in business, we use our Living-Centered Design approach to help organizations realize widespread change. Our ability to design transformational places, plans and strategies is why Fast Company named us a World Changing Company and one of the most innovative design firms in the world.

ABOUT THE ROLE

The successful candidate will work under the direction of a Certified Interior Designer and designated project leader, be part of a fully integrated team of architects, engineers, interior designers and specialists working on a wide range of design projects.

WHAT YOU WILL DO

- Under general supervision assists in all project phases including Programming, Schematic Design, Design Development, Construction Documents, and Construction Administration.
- Under general supervision, assist with furniture, fixtures and equipment (FFE) throughout all phases of interior design work.
- Assist in the design development and documentation of interior spaces to include drawings of floor plans, reflected ceiling plans, pattern plans, elevations, details, room finishes.
- Conduct research as directed for product and finish selections; assist in the development of finish plans and specifications.
- Provide assistance to the team in the selection or consideration and choice of building materials such as flooring, wall finish, ceilings, furnishings and other interior materials

- Produce drawings and perform support functions as directed in conformance with project time, cost and quality constraints.
- Become familiar with building and life safety codes and their correct application to Interior Design work.
- Assist in preparing renderings and other presentation materials to be presented in person and virtually
- Attend client meetings with Senior Interior Designer(s) to gain client interaction experience and experience in client presentation skills in person and virtually
- Follow CannonDesign drawing standards.
- Order samples and materials from vendors.
- Continually focus on learning, researching, and exploring the interior design field.
- May perform other duties as required.

ABOUT YOUR QUALIFICATIONS

- Qualified candidates must have a Bachelor in Interior Design or Interior Architecture (CIDA accredited), or Bachelor in Architecture by hire date.
- Minimum of 1 year experience required.
- Previous experience or knowledge of Healthcare design is required.
- Interest in working towards requirements to attain NCIDQ certification
- Strong creative design portfolio as well as strong communication, teamwork, presentation, graphics, organizational skills and multi-tasking skills a must.
- Proficiency with Revit, Enscape, Sketchup, and Adobe Suite (Photoshop, Illustrator, InDesign) required.

ABOUT WORKING HERE

- We are relentless in our pursuit of client adoration (not simply satisfaction). Consistent delivery of the best service is what we are about.
- We are committed to ensuring our practice is equitable for all employees, representative of the communities around us – and focused on the future of design. We advocate for equity, diversity, and inclusion efforts through the leadership of our DEI Council, Employee Resource Groups and other community advocacy initiatives.
- We're about communication and transparency here. If you want to talk to someone about an idea you have, or a challenge that needs addressing, we're ready for you.

For a general overview of our benefits, please visit our careers page at www.cannondesign.com/careers/

Please note that candidates can only apply to our positions on our company Careers site. It's not uncommon for scammers to create positions that look legitimate on other sites; never enter your information or apply for CannonDesign positions on any platform. Should an issue arise that you feel we should be aware of, please contact us. Please provide your resume and portfolio when applying.

As a condition of employment, all employees are expected to complete mandatory training, including compliance training, within required timeframes and adhere to our internal policies and our Code of Conduct.

CannonDesign recognizes the value of diversity in our workforce. We are committed to equal opportunity. We consider all qualified employment applicants without regard to race, religion, color, gender, age, national origin, sexual orientation, gender identity, partnership status, protected veteran status, disability, or any other status protected by federal, state, or local law. Individuals who hold legal work authorization applicable to employment at CannonDesign in the United States will be considered without regard to citizenship/alienage.
