Guidelines for Submission of Portfolio: Art Education

Portfolio Review

As an applicant for admission to the Art Education Major, you are required to submit an art portfolio of your best work (*for the post-bac and graduate applicants, we are looking for at least evidence of quality typical of graduates of art or design programs*). The portfolio should be submitted in one of the two following formats:

1. **A digital portfolio submitted to the address below in a PowerPoint presentation-like format***. For each corresponding slide, include your name, the work's title (or *Untitled*), date created, medium/a used, and size of artwork. Label the document with your name, email, & telephone number and indicate which of the three Art Education Programs to which you are applying.
**Video/media pieces can be attached outside the Powerpoint Presentation.*
2. **Providing a link to your website or other online portal. Include a means for us to contact you if we have questions.**

Also, indicate which of the three Art Education programs to which you are applying:

- **BFA in Art Education Program with initial certification**
- **Post-Baccalaureate Program (seeking Initial Certification Only)**
- **MSED in Art Education Program (for those already with initial certification, seeking Professional Certification)**

Your portfolio should include at least twelve (12) pieces and no more than twenty (20) pieces. If possible, include both 2D work and 3D work, in a variety of media.

Please email your digital portfolio, and indicate whether you are applying to the BFA, Post-bac, or MSED Program to:

Candace Masters (BFA applicants) at: keeganpc@buffalostate.edu

or

Dr. Dave Mawer (Post-bac/Cert Only applicants) at: mawerdj@buffalostate.edu

Or

Dr. Alexandra Allen (Master of Education applicants) at: allenar@buffalostate.edu

We look forward to seeing your artwork, which will be reviewed, and any attendant comments will be sent to you as soon as possible or provided in an advisement meeting.
